## **PRESS RELEASE**

### **For Immediate Release**

**January 23, 2009 – LaPorte, Colorado**

**Re: Membership acceptance for National Association of Legal Investigators**

*Forensic Investigators of Colorado LLC, founded and operated by Dean A. Beers, is pleased to announce that Mr. Beers has been accepted as member of the National Association of Legal Investigators (NALI). NALI membership is open to experienced investigators of professional competence and integrity that are actively engaged in providing services in the areas of civil negligence (including personal injury and death) litigation, and criminal defense.*

To qualify for membership, an applicant must have a minimum of twenty-four (24) months of documented full-time employment in these fields, provide multiple attorney references, be in good standing in the legal and investigative communities, and pass an in-depth background check. They must also follow a strict code of ethics.

Mr. Beers is currently the only active member of the National Association of Legal Investigators in the northern Colorado region. His background includes general investigations since 1987, Associates degree in Investigation and Security, former deputy coroner / death investigator and forensic autopsy assistant at both the Weld and Larimer County Medical Examiner's Offices beginning in 2002 with internship training and leading to full-time employment at Larimer County following POST certification from the Weld County Law Enforcement Academy in 2005. He returned to legal investigation in 2008 and presently provides legal investigative services in the civil areas of Personal Injury, Negligence and Death, as well as Criminal Defense.

Forensic Investigators of Colorado LLC was founded by Mr. Beers in 1987 and is staffed by himself and his wife and business partner / investigator, Karen Beers. They can be reached at (970) 691-0813 or by email at [beersda@Forensic-Investigators.com](mailto:beersda@Forensic-Investigators.com). The agency's website, [www.Forensic-Investigators.com](http://www.Forensic-Investigators.com), has detailed information.

Respectfully submitted this 23rd day of January 2009

Dean A. Beers, Legal Investigator
